Sharing environmental information in Berkshire and Oxfordshire

Field skills for recorders

Thursday 20th July 2017, 9 am to 2.30 pm

Wytham Woods

A skills development day from TVERC designed to help you practice your recording skills and share experience in an informal setting

Green-veined White, Rod Trevaskus

Who is it for?

This field day is suitable for you if you:

- Are keen to learn more about wildlife recording
- Want to get more involved in wildlife surveys
- Would like support to develop your skills
- Are a more experience recorder willing to share your experience with others
